APPLICATION NOTES:

Suitable for interior only when proper installation methods are followed.

INSTALLATION

Grout Joint Recommendation	Shade Variation
1/8"	 Medium Variation

NOTES

Since there are variations in all fired ceramic and natural products, tile and trim supplied for your particular installation may not match samples. Final confirmation should be made from actual tiles and trim prior to installation.

Water, oil, grease, improper drainage and certain footwear can create slippery conditions. Floor applications expected to be exposed to these conditions require extra caution in product selection.
